Rules Description

- 1) A National Team is composed by a minimum of 2 divers up to a maximum of 4 divers from both Genders of A&B Age Groups.
- 2) The competition consists of 4 dives comprehending two synchro dives, one from 1m and one from 3m springboard and in a mixed (boy/girl) format and 2 dives from a platform executed one by each gender.
- 3) The two synchro dives are with free DD while the two individual platform dives are limited to 2.0 independent of the real DD.
- 4) The 1m synchro dive has to be chosen from the back and reverse group , the 3m synchro dive has to be chosen from the twisting group while one of the two platform dives must be selected from the forward or inward group and the other must be from the armstand group.
- 5) The event shall be judged by 5 or 7 judges , judging the total impression of the dive (technical /synchro parts together)
- 6) The event will be a direct final
